Teachers Notes-

TK- Learning patterns, letters, and numbers.

K- Working on Thanksgiving performance and cooking for their feast. Working on I pads, numbers to ten, retelling stories, and jobs in the classroom. A visit from a firefighter and police officer. Getting ready for the holidays and continuing science labs.

K/1(Campbell)- Learning about friendship, Thanksgiving, and getting to having buddies.

1st grade- Ended October with a black and orange party. Finishing up assessments. In language arts, finishing reading and learning how and why living things grow and change. In math, finishing unknown partners in addition and subtraction word problems. A Buddy break “fast” with our big buddies coming up.

2nd grade- Started new literature/science unit about plants and animals and their habitats. Enjoyed a visit from Uncle Jer’s Bee show. Looking forward to receiving salmon and eggs next week to explore the life cycle of a salmon. Will enjoy our first market day next week. Looking forward to meeting with families during conference week.

2-3 Grade (Mrs. Cooper)- Learning about sky and space. Learning about being thankful for our family, friends, toys and our school.

3rd grade- Finishing up assessments. Starting new reading unit on animals and how they adapt to changes in their environment. In math, continuing to develop and strengthen our understanding of multiplication and division. Learned about our first local natives of Roseville at the Maidu Interpretive Museum.

4th grade- Finishing up assessments. Starting new reading unit on animals and how they adapt to changes in their environment. In math, focusing on long division. Completed first STEM challenge. Will be cleaning up the nature preserve as a way of giving back to our community. Nature Bowl is looking for participants, the essay to join is due next Wednesday.

5th grade- Finishing up assessments. Starting new reading unit on animals and how they adapt to changes in their environment. In math, finished multiplying and dividing fractions and will continue to work on that. Nature Bowl team with essays due next Friday.

Open Floor

Meeting Adjourned at 7:23pm.
